One Block at a Time

What is?

JUMPSTART CHESTER

JUMPSTART CHESTER

is a unique community development program that will train, mentor, network and help provide funding to aspiring real estate developers in the City of Chester.

JUMPSTART CHESTER

Jumpstart

believes that you can do well by doing good & focuses on removing neighborhood blight, scattered sight rehabilitation, creating a mix of affordable and market rate housing while avoiding gentrification through steady growth and keeping wealth local.

WHAT DOES IT OFFER?

- ✓ 4 week training program covering the fundamentals of real estate development
 - ✓ Each subject will be instructed by an experience professional
- ✓ Access to both short term and long term lenders
 - ✓ Access to contractors and building material distributions
- ✓ Provide connections with lawyers, architects, title reps and licensed Realtors
 - ✓ At the end of the course you'll have the blueprint, resources and network that you'll need to launch your first or next real estate development project
